Divorces in Clatsop County, Oregon, From The 1850s To 1913

By Liisa Penner

Whenever I asked the staff at the Clatsop County Courthouse about finding information about divorces, I was always told to look at the Judgment Rolls. Thinking that perhaps an index to divorces in the county would be of value, I began abstracting the names of those in the Judgment Rolls involved in lawsuits in which the plaintiff and the defendant have the same surnames. I deleted those cases where both appeared to be the same sex. In many cases, names were identified only by initials. I decided to keep these on my list although there may be cases in which they are the same sex. This list probably contains some cases that are not divorces but actions brought by a brother against a sister or child against a parent, etc. Without looking up each case, it is impossible to tell. If you find a set of names which should not be on this list, please let me know so that I can make the corrections.

I searched through two sets of books to find these Judgment Roll case numbers. They are: the Index to Journals, Judgment Rolls and Register of Actions and the Circuit Court Index. The indexes to the first are located in the basement of the courthouse through the County Clerk's office. This is also where the earliest Judgment Rolls are now located. They will all be moved eventually to the old jail and workers from the Court will have to go over to the jail to pick up the Judgment Rolls. The Circuit Court Index is located at the office for the Court on the top floor of the courthouse.

You can order a copy of the material in the Judgment Roll by writing to:

Circuit Court
Clatsop County Courthouse
749 Commercial
Astoria OR 97103

or call them at (503) 325-8555. Give them the number of the Judgment Roll and names of the couple.

If you wish to visit the courthouse, you need to obtain the Court's permission to look through the records. Just ask at the office window on the top floor of the courthouse.

The first Judgment Roll Index book contains two indexes, one by the plaintiff and one by the defendant, one on the left hand side of the book and one on the right. There is a separate plaintiff index book and defendant index book in the later years. The second set of books contain all the listings that are found in the first book, but occasionally the spelling of names varies slightly.

Many actions for divorce were not successful. In some cases, it took several tries before the couple was finally divorced. If you find a name in this list, I would urge you to look at the original indexes for all the records. There may be more than one entry for the person, with valuable additional information.

Names, in some cases, have been abbreviated to fit this list.

There were some scattered entries in the Judgment Roll Index that perhaps should have been entered by the court clerk in a book covering a later period. Whether they were entered into the earlier book by accident is unknown. Some entries do not have Judgment Roll numbers listed; these will refer to entries in other records. It will be necessary to scan the indexes in the books described below for these names and references.

Diminutives and nicknames were used to a large extent, so look for Lizzie as well as Elizabeth, etc.

It is possible that some divorces were missed in abstracting. If you see any errors, please let me know.

Index books abstracted:
1. Judgment Rolls Index
Lists cases Number 1 through about 3605 for dates from about 1855 to 1899. Contains index by both Plaintiff and Defendant in one book. Index method: All the surnames beginning with a letter are sorted together, for example, Allen, Abbott, Bardsley, Bacon, Coffey, Callahan, Cornelius, Donaldson, etc.

2. Judgment Roll Index
Gives the name of the plaintiff, the defendant, the Judgment Roll case number and the volume and page of entry in the Circuit Court Journal. There are two books in the set, one, the Indirect Index by the plaintiff and the other, the Direct, by the defendant. (I've been unable to locate the Direct-Defendant index.) It dates from about 1855 to 1913. The case numbers range from about 2000 to 6900 with a few in the area of 13,000. These later ones probably commenced during the same period as the rest but were completed at a later date. The index method is one in which the first section has names in which the surname starts with A and the first name starts with A; the next section has the surnames starting with A and the first names starting with B. The next has surnames starting with A and first names starting with C, etc.

3. Circuit Court Index (the earliest the Court has)
Gives the Circuit Court case number, Judgment Roll number, and names of Defendant and Plaintiff.
A's went from 1806 to 6656 H's are 1855-6986, plus one odd case from 8915
These books are alphabetized like number 1 above.

I did not look at the later books and have not extracted any later divorces.

The Judgment Rolls are loose sheets of paper folded together, on the average, numbering about 15 pages. In them will be found a list of charges made against the defendant, the defendants answer and the decision of the court. Often there is a wealth of historical and genealogical information included in these papers that can be found no where else.

Sample dates follow:

Roll Number	Year
137	1861
264	1869
353	1874
589	1878
620	1878
763	1880

815	1880
827	1880
874	1880
911	1880
2169	1891
2201	1891
2378	1892
3480	1898
3569	1898
4711	1907
4805	1907
4822	1907
4965	1908
5193	1907
5314	1909
5967	1912
6106	1912
6202	1913
6315	1913

The five digit numbers such as 13496 were found in the second Judgment Roll Index book and refer to cases initiated within the range of years, probably from the 1880s to 1913. They may have been closed at a later date than these cases or have been assigned these numbers for some reason I haven't learned.

In the cases in which we can identify a male and female, it appears that sixty-five percent of the same surname lawsuits in Clatsop County were initiated by women.

* is Schoenbaechler

I'd like to thank Karen Lowery for helping to abstract these names.

Judgment Roll (part of the file)

IN THE CITCUIT COURT OF THE STATE OF OREGON FOR

CLATSOP COUNTY.

KATE JURHS,

Plaintiff

vs.

AUGUST JURHS,

Defendant.

The above named plaintiff complaining of the above named defendant for her cause of suit allegss,

I.

That horetofore and on the 17th day of August, 1877, at the town of Oystorville in the state of Washington, the plaintiff and defendant intermarried and ever since have been and still are husband and wife.

II.

That this plaintiff is now and ever since August, 1877 has been an actual bona fide resident and inhabitant of the county of Clatsop in the state of Oregon; and the defendant is now and during all of said time has been such resident and inhabitant.

III.

That there has been born, issue of said marriage, the following minors, namely, Minor A. Jurhs aged 17 years and Francis L. Jurhs aged 14 years, a son and daughter both of whom reside with and are under the care, custody, and control of said plaintiff.

IV.

That plaintiff and defendant have accumulated by their joint earnings the following described real estate situated in Clatsop county, Oregon, the title to which is in the name of the defendant, to wit:

Beginning at the southeast corner of the land now owned by D. F. Warren and P. C. Warren, which corner is 9.39 chains west of the quarter section corner between sections 26 and 29 in Township No. eight, North of Range No. ten west of the Willamette Meridian; running thence north in section No. 27 twenty-three(23) chains thence west thirteen(13) chains; thence south twenty-three chains(23); thence east thirteen(13) chains to place of beginning and containing 29.9 acres.

That said real estate contains the home of plaintiff where plaintiff has resided for about twenty years. That it is wholly unimproved excepting as to five or six acres and of which only about two acres are under cultivation, the remaining three or four acres being cleared of the underbrush but the stumps are still standing thereon. That plaintiff desires said property for her home particularly the building and the cleared ground and it will be impossible for plaintiff and defendant to occupy the said premisss in harmony, and plaintiff desires that in case the decree dissolving the bonds of matrimony as prayed for by plaintiff be granted that said property be partitioned and that commissioners be appointed to partition and divide the same accordingly as is provided by law.

The plaintiff owns in her own right and is in the possession of two cows and one calf which is all the property owned by plaintiff.

That the defendant is a strong and able bodied man capable of earning and does earn and has a monthly income of over $65.00 whilst plaintiff is unable to earn any money and has no money with which to prosecute this suit; and it is necessary that plaintiff should prosecute this suit for that during the year last past the defendant treated plaintiff in a cruel and inhuman manner and rendered her life burdensome. That frequently during

said period defendant has called plaintiff vile names and has heaped upon her opprobrious epithcte, and has during said time called thie plaintiff a jack ass, old fool, a black old equaw and other opprobrious epithets; has threatened to aseault and beat plaintiff and has assaulted her frequently but plaintiff has been able to protect herself but feare that defendant will inflict personal injuries upon plaintiff for that defendant has threatened to beat and abuse plaintiff and will, unless reetrained by this court, assault and abuse plaintiff.

That eaid defendant had no reason or cauee for hie said wrongful acts for that plaintiff has at all times treated the defendant in a kind and loving manner as a kind and affectionate wife should treat her husband, but the conduct of eaid defendant is euch that it is utterly impossible for plaintiff to live with him longer and plaintiff does not think it is eafe for her so to do. That said defendant hae without any cause or provocation whatever deeerted and abandoned plaintiff; that said desertion was willful on the part of defendant and has continued for over one year last past.

V.

That defendant is not a proper person to have the care, custody, or control of said minor children and plaintiff dosiree that sho be awarded the care, custody,and control of eaid two minor children.

WHEREFORE by reason of the premises plaintiff demands judgment and decree

FIRST: That the bonds of matrimony heretofore and now existing between plaintiff and defendant be diesolved and that the care, custody, and control of said minor children be awarded to plaintiff.

SECOND: That there be partitioned and divided and awarded to plaintiff an undivided one-third interest in and to the real estate hereinbefore described in the name of said plaintiff and that the same be partitioned to plaintiff.

THIRD: That defendant be required to deposit in court for the benefit of plaintiff to assist her in prosecuting this suit such a sum of money as this court may determine or such sum monthly as this court may determine.

FOURTH: That plaintiff have such other and further relief as to this court may seem equitable and just.
